

## ACTLAA BEST PERFORMANCE RECORDS

Note: Due to the use of Electronic Timing at ACTLAA carnivals held at Bruce Stadium, the following Track Event Records have been standardised. This means that where only a Hand Held record performance is available, this result is standardised to Electronic Timing by adding 0.24 seconds up to 300metres and .14 for 400m (ie 10 seconds Hand Held is equivalent to 10.24 seconds Standardised - "10.24s/S").
